Student at ENSIAS – National Higher School for Computer Science and Systems Analysis

Profile

Motivated and disciplined computer science student at ENSIAS, one of the leading engineering schools in Morocco. Passionate about computer science, which I see as a creative field where ideas can be transformed into real projects. Hard-working, curious, and eager to improve my technical and soft skills through academic work, teamwork, and extracurricular activities.

Education

ENSIAS – National Higher School for Computer Science and Systems Analysis

Engineering student in Computer Science – Software Engineering Track (Génie Logiciel - GL) –Present

Reda Slaoui Preparatory Classes – MP (2023 – 2025)

Two years of preparatory classes

First year: MPSI (2023 – 2024)

Second year: MP (2024 – 2025)

Al Qalam High School (2022 – 2023)

Baccalaureate in Mathematical Sciences B

Technical Skills

- **Programming languages:** Python, Java, C, Bash
- **Tools:** Visual Studio Code, LaTeX, Git basics
- **Other skills:** Video editing, content creation, basic project work

Projects

Academic Mini Projects

Participated in several small academic projects at ENSIAS, applying programming concepts and teamwork skills.

TIPE Project – File Compression Algorithms

Worked on a TIPE project focused on compression algorithms, including Huffman coding and arithmetic coding. This project helped me improve my understanding of algorithms, data representation, and problem-solving.

Extracurricular Activities

Vice Treasurer – Students Association

Member of the students association with the role of vice treasurer, contributing to organization, teamwork, and event management.

Team Leader – ENSIAS TV

Team leader of ENSIAS TV, the main media team of the school. This experience helped me develop leadership, communication, creativity, critical thinking, and coordination skills.

Languages

- Arabic: Native language
- French: Good level
- English: Good level

Interests

- Sports
- Video editing
- Videography and Photography
